#### 5. Maintenance Issues

- Shoe scrapers are on order. Line brush for court 5 will be ordered.
- Bob explained the issues on the courts resulting from the cold and weather these past weeks. He also suggested that while our courts are down that members could play on the courts at City Park

## 6. Proposed change to court reservations

- Bob suggested that we consider automatically reserving courts for those who organize play for members each week.
- This proposal would not increase or decrease play time for any group, but would:
  - ✓ Be more convenient to those who reserve court time each week
  - ✓ Allow greater predictability about court availability
  - ✓ Reduce conflict between those who reserve courts each week
- There was much discussion among all members, but the overwhelming sentiment was to continue as we have with each group making their own reservations each week. A motion was made and passed to continue with the schedule "as is."
- Elena Anderson suggested that we list the groups that offer play each week.
- Bob Kohmescher said that if anyone was interested in joining a group or information about groups, contact him at [bobk340@comcast.net](mailto:bobk340@comcast.net). Here are the groups that play each week:
